The chanDam for the song is :

[thanana] [thanantha]

[thanathAna]

(thanana) = 4 mA+As

= thaka - Dhimi

(thanantha) = 4 mA+As

= thaka - Dhimi

(thanathAna) = 5 mA+As = ?

The 'thongal' has 5 mA+As. Guruji added 1 more to the 'thongal', to make it 6 mA+As. With this, the thALam for the song will have 14 mA+As, 7 aksharams in maDhyama kAlam = 4 + 3 structure = chathusra jhamba thALam = chathusra lagu followed by anuDrutham + Drutham.
